**EXCLUSIVE PROVIDER ORGANIZATION
CERTIFICATE OF COVERAGE**

Issued by

MVP Health Services Corp.

This Certificate of Coverage ("Certificate") explains the benefits available to You under a Group Contract between MVP Health Services Corp. (hereinafter referred to as "We", "Us" or "Our") and the Group listed in the Group Contract. This Certificate is not a contract between You and Us. Amendments, riders or endorsements may be delivered with the Certificate or added thereafter.

This Certificate offers You the option to receive Covered Services on two benefit levels:

- 1. In-Network Preferred Benefits.** In-network preferred benefits are the higher level of coverage available. In-network preferred benefits apply when Your care is provided by Preferred Providers in Our Preferred Provider Network. You should always consider receiving health services first through Our Preferred Providers in Our Preferred Provider Network.
- 2. In-Network Benefits.** In-network benefits are the lower level of coverage available. In-network benefits apply when Your care is provided by Participating Providers that are not Preferred Providers and are in Our EPO Network or Our affiliate's Cigna National Network and Participating Pharmacies in Our EPO Network. You should always consider receiving services first through Preferred Providers and then from Participating Providers that are not Preferred Providers.

READ THIS ENTIRE CERTIFICATE CAREFULLY. IT DESCRIBES THE BENEFITS AVAILABLE UNDER THE GROUP CONTRACT. IT IS YOUR RESPONSIBILITY TO UNDERSTAND THE TERMS AND CONDITIONS IN THIS CERTIFICATE.

SECTION II. How Your Coverage Works

A. Your Coverage Under this Certificate.

Your employer (referred to as the "Group") has purchased a Group health insurance Contract from Us. We will provide the benefits described in this Certificate to covered Members of the Group, that is, to employees of the Group and their covered Dependents. However, this Certificate is not a contract between You and Us. You should keep this Certificate with Your other important papers so that it is available for Your future reference.

B. Covered Services.

You will receive Covered Services under the terms and conditions of this Certificate only when the Covered Service is:

- Medically Necessary;
- Provided by a Preferred or Participating Provider;
- Listed as a Covered Service;
- Not in excess of any benefit limitations described in the Schedule of Benefits section of this Certificate; and
- Received while Your Certificate is in force.

When You are outside Our Service Area, Medically Necessary coverage is available via Our affiliate's Cigna National network. Also, when you are outside Our Service Area Emergency Services, Pre-Hospital Emergency Medical Services and ambulance services are provided from any provider to treat Your Emergency Condition and Urgent Care.

C. Participating Providers.

To find out if a Provider is a Preferred or Participating Provider:

- Check Our Provider directory, available at Your request;
- Call the number on Your Member ID card; or
- Visit Our website at **mvphealthcare.com**.

The Provider directory will give You the following information about Our Participating Providers:

- Name, address, and telephone number
- Specialty;
- Board certification (if applicable);
- Language spoken;
- Whether the Provider is a Preferred Provider; and
- Whether the Participating Provider is accepting new patients.

You are only responsible for any Cost-Sharing that would apply to the Covered Services if You receive Covered Services from a Provider who is not a Participating Provider in the following situations:

- The Provider is listed as a Participating Provider in Our online Provider directory;
- Our paper Provider directory listing the Provider as a Participating Provider is incorrect as of the date of publication;

- We give You written notice that the Provider is a Participating Provider in response to Your telephone request for network status information about the Provider; or
- We do not provide You with a written notice within one (1) business day of Your telephone request for network status information.

In these situations, if a Provider bills You for more than Your Cost-Sharing and You pay the bill, You are entitled to a refund from the Provider, plus interest.

D. Preferred Providers.

Some Participating Providers are also Preferred Providers. Certain services may be obtained from Preferred Providers. If You receive Covered Services from Preferred Providers, Your Cost-Sharing may be lower than if You received the services from Participating Providers. See the Schedule of Benefits section of this Certificate for coverage of Preferred Provider services.

E. The Role of Primary Care Physicians.

This Certificate does not have a gatekeeper, usually known as a Primary Care Physician (“PCP”). Although You are encouraged to receive care from Your PCP, You do not need a written Referral from a PCP before receiving certain Specialist Care.

For purposes of Cost-Sharing, if You seek services from a PCP (or a Physician covering for a PCP) who has a primary or secondary specialty other than general practice, family practice, internal medicine, pediatrics and OB/GYN, You must pay the specialty office visit Cost-Sharing in the Schedule of Benefits section of this Certificate when the services provided are related to specialty care.

F. Access to Providers and Changing Providers.

Sometimes Providers in Our Provider directory are not available. You should call the Provider to make sure he or she is a Participating Provider and is accepting new patients.

To see a Provider, call his or her office and tell the Provider that You are an MVP Health Services Corp. Preferred Provider Network Member, and explain the reason for Your visit. Have Your Member ID card available. The Provider’s office may ask You for Your Group or Member ID number. When You go to the Provider’s office, bring Your Member ID card with You.

To contact Your Provider after normal business hours, call the Provider’s office. You will be directed to Your Provider, an answering machine with directions on how to obtain services, or another Provider. If You have an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911.

If We do not have a Participating Provider for certain provider types in the county in which You live or in a bordering county that is within approved time and distance standards, We will approve an Authorization to a specific Non-Participating Provider until You no longer need the care or We have a Participating Provider in Our Network that meets the time and distance standards and Your care has been transitioned to that Participating Provider. Covered Services

rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing.

G. Services Subject to Preauthorization.

Our Preauthorization is required before You receive certain Covered Services. Your Participating Provider is responsible for requesting Preauthorization for in-network services and You are responsible for requesting Preauthorization for the out-of-network services listed in the Schedule of Benefits section of this Certificate.

H. Preauthorization / Notification Procedure.

If You seek coverage for services that require Preauthorization or notification, Your Provider must call Us at the number on Your Member ID card.

Your Provider must contact Us to request Preauthorization as follows:

- At least two (2) weeks prior to a planned admission or surgery when Your Provider recommends inpatient Hospitalization. If that is not possible, then as soon as reasonably possible during regular business hours prior to the admission.
- At least two (2) weeks prior to ambulatory surgery or any ambulatory care procedure when Your Provider recommends the surgery or procedure be performed in an ambulatory surgical unit of a Hospital or in an Ambulatory Surgical Center. If that is not possible, then as soon as reasonably possible during regular business hours prior to the surgery or procedure.
- Before air ambulance services are rendered for a non-Emergency Condition.

You must contact Us to provide notification as follows:

- As soon as reasonably possible when air ambulance services are rendered for an Emergency Condition.
- If You are hospitalized in cases of an Emergency Condition, You must call Us within 48 hours after Your admission or as soon thereafter as reasonably possible.

After receiving a request for approval, We will review the reasons for Your planned treatment and determine if benefits are available. Criteria will be based on multiple sources which may include medical policy, clinical guidelines, and pharmacy and therapeutic guidelines.

I. Medical Management.

The benefits available to You under this Certificate are subject to pre-service, concurrent and retrospective reviews to determine when services should be Covered by Us. The purpose of these reviews is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place the services are performed. Covered Services must be Medically Necessary for benefits to be provided.

J. Medical Necessity.

We Cover benefits described in this Certificate as long as the health care service, procedure, treatment, test, device, Prescription Drug or supply (collectively, "service") is Medically Necessary. The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:

- Your medical records;
- Our medical policies and clinical guidelines;
- Medical opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed medical literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment;
- The opinion of Health Care Professionals in the generally-recognized health specialty involved;
- The opinion of the attending Providers, which have credence but do not overrule contrary opinions.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;
- They are provided in accordance with generally-accepted standards of medical practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;
- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting. For example, We will not provide coverage for an inpatient admission for surgery if the surgery could have been performed on an outpatient basis or an infusion or injection of a specialty drug provided in the outpatient department of a Hospital if the drug could be provided in a Physician's office or the home setting.

See the Utilization Review and External Appeal sections of this Certificate for Your right to an internal Appeal and external appeal of Our determination that a service is not Medically Necessary.

K. Protection from Surprise Bills.

1. Surprise Bills. A surprise bill is a bill You receive for Covered Services in the following circumstances:

- For services performed by a non-participating Provider at a participating Hospital or Ambulatory Surgical Center, when:
 - A participating Provider is unavailable at the time the health care services are performed;
 - A non-participating Provider performs services without Your knowledge; or
 - Unforeseen medical issues or services arise at the time the health care services are performed.

A surprise bill does not include a bill for health care services when a participating Provider is available and You elected to receive services from a non-participating Provider.

- You were referred by a participating Physician to a Non-Participating Provider without Your explicit written consent acknowledging that the referral is to a Non-Participating Provider and it may result in costs not covered by Us. For a surprise bill, a referral to a Non-Participating Provider means:
 - Covered Services are performed by a Non-Participating Provider in the participating Physician's office or practice during the same visit;
 - The participating Physician sends a specimen taken from You in the participating Physician's office to a non-participating laboratory or pathologist; or
 - For any other Covered Services performed by a Non-Participating Provider at the participating Physician's request, when Referrals are required under Your Certificate.

You will be held harmless for any Non-Participating Provider charges for the surprise bill that exceed Your Cost-Sharing. The Non-Participating Provider may only bill You for Your Cost-Sharing. You can sign a form to notify Us and the Non-Participating Provider that You received a surprise bill.

The form for surprise bills is available at www.dfs.ny.gov or You can visit Our website at **mvphealthcare.com** for a copy of the form. You need to mail a copy of the form to Us at the address on Our website; on Your Member ID card; for Surprise Bill Certification of Benefits form in the Important Telephone Numbers and Addresses paragraph below and to Your Provider.

2. Independent Dispute Resolution Process. Either We or a Provider may submit a dispute involving a surprise bill to an independent dispute resolution entity ("IDRE") assigned by the state. The IDRE will determine whether Our payment or the Provider's charge is reasonable within 30 days of receiving the dispute.

L. Delivery of Covered Services Using Telehealth.

If Your Provider offers Covered Services using telehealth, We will not deny the Covered Services because they are delivered using telehealth. Covered Services delivered using telehealth may be subject to utilization review and quality assurance requirements and other terms and conditions of the Certificate that are at least as favorable as those requirements for the same service when not delivered using telehealth. "Telehealth" means the use of electronic information and communication technologies, including telephone or video using smart phones or other devices, by a Provider to deliver Covered Services to You while Your location is different than Your Provider's location.

M. Case Management.

Case management helps coordinate services for Members with health care needs due to serious, complex, and/or chronic health conditions. Our programs coordinate benefits and educate Members who agree to take part in the case management program to help meet their health-related needs.

Our case management programs are confidential and voluntary. These programs are given at no extra cost to You and do not change Covered Services. If You meet program criteria and agree to take part, We will help You meet Your identified health care needs. This is reached through contact and teamwork with You and/or Your authorized representative, treating Physician(s), and other Providers. In addition, We may assist in coordinating care with existing community-based programs and services to meet Your needs, which may include giving You information about external agencies and community-based programs and services.

As part of our hospital discharge program you will be offered meals following an inpatient hospital discharge. MVP will contact you and offer you the option to receive 14 nutritious meals during a 7 day period to help you meet your nutritional needs and recover. If you choose to receive the meals, they will be delivered to your home by our partner Mom's Meals.

SECTION III. Access to Care and Transitional Care

A. Authorization to a Non-Participating Provider.

If We determine that We do not have a Participating Provider that has the appropriate training and experience to treat Your condition, We will approve an authorization to an appropriate Non-Participating Provider. Your Participating Provider must request prior approval of the authorization to a specific Non-Participating Provider. Approvals of authorizations to Non-Participating Providers will not be made for the convenience of You or another treating Provider and may not necessarily be to the specific Non-Participating Provider You requested. If We approve the authorization, all services performed by the Non-Participating Provider are subject to a treatment plan approved by Us in consultation with Your PCP, the Non-Participating Provider and You. Covered Services rendered by the Non-Participating Provider will be covered as if they were provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing. In the event an authorization is not approved, any services rendered by a Non-Participating Provider will not be Covered.

B. When Your Provider Leaves the Network.

If You are in an ongoing course of treatment when Your Provider leaves Our network, then You may continue to receive Covered Services for the ongoing treatment from the former Participating Provider for up to 90 days from the date Your Provider's contractual obligation to provide services to You terminates. If You are pregnant, You may continue care with a former Participating Provider through delivery and any postpartum care directly related to the delivery.

The Provider must accept as payment the negotiated fee that was in effect just prior to the termination of Our relationship with the Provider. The Provider must also provide Us necessary medical information related to Your care and adhere to our policies and procedures, including those for assuring quality of care, obtaining Preauthorization, authorizations, and a treatment plan approved by Us. You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable Cost-Sharing. Please note that if the Provider was terminated by Us due to fraud, imminent harm to patients or final disciplinary action by a state board or agency that impairs the Provider's ability to practice, continued treatment with that Provider is not available.

C. New Members In a Course of Treatment.

If You are in an ongoing course of treatment with a Non-Participating Provider when Your coverage under this Certificate becomes effective, You may be able to receive Covered Services for the ongoing treatment from the Non-Participating Provider for up to 60 days from the effective date of Your coverage under this Certificate. This course of treatment must be for a life-threatening disease or condition or a degenerative and disabling condition or disease. You may also continue care with a Non-Participating Provider if You are in the second or third trimester of a pregnancy when Your coverage under this Certificate becomes effective. You may continue care through delivery and any post-partum services directly related to the delivery.

In order for You to continue to receive Covered Services for up to 60 days or through pregnancy, the Non-Participating Provider must agree to accept as payment Our fees for such services. The Provider must also agree to provide Us necessary medical information related to Your care and to adhere to Our policies and procedures including those for assuring quality of care, obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing.

SECTION IV. Cost-Sharing Expenses and Allowed Amount

A. Deductible.

Except where stated otherwise, You must pay the amount in the Schedule of Benefits section of this Certificate for Covered Services during each Plan Year before We provide coverage. If You have other than individual coverage, the individual Deductible applies to each person covered under this Certificate. Once a person within a family meets the individual Deductible, no further Deductible is required for the person that has met the individual Deductible for that Plan Year. However, after Deductible payments for persons covered under this Certificate collectively total the family Deductible amount in the Schedule of Benefits section of this Certificate in a Plan Year, no further Deductible will be required for any person covered under this Certificate for that Plan Year.

The Deductibles for Preferred Providers and Participating Providers apply to Covered in-network Services. In-network Cost-Sharing amounts to which a Deductible applies accumulate toward both the Deductibles for Preferred Providers and for Participating Providers.

B. Co-payments.

Except where stated otherwise, after You have satisfied the Deductible as described above, You must pay the Co-payments, or fixed amounts, in the Schedule of Benefits section of this Certificate for Covered Services. However, when the Allowed Amount for a service is less than the Co-payment, You are responsible for the lesser amount.

C. Co-insurance.

Except where stated otherwise, after You have satisfied the Deductible as described above, You must pay a percentage of the Allowed Amount for Covered Services. We will pay the remaining percentage of the Allowed Amount as Your benefit as shown in the Schedule of Benefits section of this Certificate.

D. Out-of-Pocket Limit.

When You have met Your Out-of-Pocket Limit in payment of Cost-Sharing for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for Covered Services for the remainder of that Plan Year. If You have other than individual coverage, once a person within a family meets the individual Out-of-Pocket Limit in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for that person. If other than individual coverage applies, when persons in the same family covered under this Certificate have collectively met the family Out-of-Pocket Limit in payment of Cost-Sharing for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for the entire family. There are different Out-of-Pocket Limits for services provided by Preferred Providers and Participating Providers. The Out-of-Pocket Limits for Preferred Providers and Participating Providers apply to Covered in-network Services. In-

network Cost-Sharing amounts to which an Out-of-Pocket Limit applies will accumulate toward both the Out-of-Pocket Limits for Preferred Providers and for Participating Providers.

The Out-of-Pocket Limits for Preferred Providers and Participating Providers apply to Covered in-network Services. In-network Cost-Sharing amounts to which an Out-of-Pocket Limit applies will accumulate toward both the Out-of-Pocket Limits for Preferred Providers and for Participating Providers.

Cost-Sharing for out-of-network services, except for Emergency Services, out-of-network services approved by Us as an in-network exception and out-of-network dialysis does not apply toward Your Out-of-Pocket Limit.

E. Allowed Amount.

“Allowed Amount” means the maximum amount We will pay for the services or supplies Covered under this Certificate, before any applicable Co-payment, Deductible and Co-insurance amounts are subtracted. We determine Our Allowed Amount as follows:

The Allowed Amount for Participating Providers will be the amount We have negotiated with the Participating Provider.

See the Emergency Services and Urgent Care section of this Certificate for the Allowed Amount for Emergency Services rendered by Non-Participating Providers. See the Ambulance and Pre-Hospital Emergency Medical Services section of this Certificate for the Allowed Amount for Pre-Hospital Emergency Medical Services rendered by Non-Participating Providers.

SECTION V. Who is Covered

A. Who is Covered Under this Certificate.

You, the Subscriber to whom this Certificate is issued, are covered under this Certificate. You must live, work, or reside in Our Service Area to be covered under this Certificate. Members of Your family may also be covered depending on the type of coverage You selected.

B. Types of Coverage.

We offer the following types of coverage:

- 1. Individual.** If You selected individual coverage, then You are covered.
- 2. Individual and Spouse.** If You selected individual and Spouse coverage, then You and Your Spouse are covered.
- 3. Parent and Child/Children.** If You selected parent and child/children coverage, then You and Your Child or Children, as described below, are covered.
- 4. Family.** If You selected family coverage, then You and Your Spouse and Your Child or Children, as described below, are covered.

C. Children Covered Under this Certificate.

If You selected parent and child/children or family coverage, Children covered under this Certificate include Your natural Children, legally adopted Children, step Children, and Children for whom You are the proposed adoptive parent without regard to financial dependence, residency with You, student status or employment. A proposed adopted Child is eligible for coverage on the same basis as a natural Child during any waiting period prior to the finalization of the Child's adoption. Coverage lasts until the end of the month in which the Child turns 26 years of age. Coverage also includes Children for whom You are a legal guardian if the Children are chiefly dependent upon You for support and You have been appointed the legal guardian by a court order. Foster children and grandchildren are not covered.

Any unmarried dependent Child, regardless of age, who is incapable of self-sustaining employment by reason of mental illness, developmental disability, mental retardation (as defined in the New York Mental Hygiene Law), or physical handicap and who became so incapable prior to attainment of the age at which the Child's coverage would otherwise terminate and who is chiefly dependent upon You for support and maintenance, will remain covered while Your insurance remains in force and Your Child remains in such condition. You have 31 days from the date of Your Child's attainment of the termination age to submit an application to request that the Child be included in Your coverage and proof of the Child's incapacity. We have the right to check whether a Child qualifies and continues to qualify under this section.

We have the right to request and be furnished with such proof as may be needed to determine eligibility status of a prospective or covered Subscriber and all other prospective or covered Members in relation to eligibility for coverage under this Certificate at any time.

D. When Coverage Begins.

Coverage under this Certificate will begin as follows:

1. If You, the Subscriber, elect coverage before becoming eligible, or within 30 days of becoming eligible for other than a special enrollment period, coverage begins on the date You become eligible, or on the date determined by Your Group. Groups cannot impose waiting periods that exceed 90 days.
2. If You, the Subscriber, do not elect coverage upon becoming eligible or within 30 days of becoming eligible for other than a special enrollment period, You must wait until the Group's next open enrollment period to enroll, except as provided below.
3. If You, the Subscriber, marry while covered, and We receive notice of such marriage and any Premium payment within 30 days thereafter, coverage for Your Spouse and Child starts on the first day of the month after We receive Your application. If We do not receive notice within 30 days of the marriage, You must wait until the Group's next open enrollment period to add Your Spouse or Child.
4. If You, the Subscriber, have a newborn or adopted newborn Child and We receive notice of such birth within 30 days thereafter, coverage for Your newborn starts at the moment of birth; otherwise, coverage begins on the date on which We receive notice. Your adopted newborn Child will be covered from the moment of birth if You take physical custody of the infant as soon as the infant is released from the Hospital after birth and You file a petition pursuant to Section 115-c of the New York Domestic Relations Law within 30 days of the infant's birth; and provided further that no notice of revocation to the adoption has been filed pursuant to Section 115-b of the New York Domestic Relations Law, and consent to the adoption has not been revoked. However, We will not provide Hospital benefits for the adopted newborn's initial Hospital stay if one of the infant's natural parents has coverage for the newborn's initial Hospital stay. If You have individual or individual and Spouse coverage, You must also notify Us of Your desire to switch to parent and child/children or family coverage and pay any additional Premium within 30 days of the birth or adoption in order for coverage to start at the moment of birth. Otherwise, coverage begins on the date on which We receive notice, provided that You pay any additional Premium when due.

E. Special Enrollment Periods.

You, Your Spouse or Child can also enroll for coverage within 30 days of the loss of coverage in another group health plan if coverage was terminated because You, Your Spouse or Child are no longer eligible for coverage under the other group health plan due to:

1. Termination of employment;
2. Termination of the other group health plan;
3. Death of the Spouse;
4. Legal separation, divorce or annulment;
5. Reduction of hours of employment;

6. Employer contributions toward the group health plan were terminated for You or Your Dependents' coverage; or
7. A Child no longer qualifies for coverage as a Child under the other group health plan.

You, Your Spouse or Child can also enroll 30 days from exhaustion of Your COBRA or continuation coverage or if You gain a Dependent or become a Dependent through marriage, birth, adoption, or placement for adoption.

We must receive notice and Premium payment within 30 days of one of these events. Your coverage will begin on the first day of the following month after We receive Your application. If You gain a Dependent or become a Dependent due to a birth, adoption, or placement for adoption, Your coverage will begin on the date of the birth, adoption or placement for adoption.

In addition, You, Your Spouse or Child, can also enroll for coverage within 60 days of the occurrence of one of the following events:

1. You or Your Spouse or Child loses eligibility for Medicaid or Child Health Plus; or
2. You or Your Spouse or Child becomes eligible for Medicaid or Child Health Plus.

We must receive notice and Premium payment within 60 days of one of these events. Your coverage will begin on the first day of the following month after We receive Your application.

SECTION VII. Ambulance and Pre-Hospital Emergency Medical Services

Please refer to the Schedule of Benefits section of this Certificate for Cost-Sharing requirements, day or visit limits, and any Preauthorization or Referral requirements that apply to these benefits. Pre-Hospital Emergency Medical Services and ambulance services for the treatment of an Emergency Condition do not require Preauthorization.

A. Emergency Ambulance Transportation.

1. Pre-Hospital Emergency Medical Services. We Cover Pre-Hospital Emergency Medical Services worldwide for the treatment of an Emergency Condition when such services are provided by an ambulance service.

“Pre-Hospital Emergency Medical Services” means the prompt evaluation and treatment of an Emergency Condition and/or non-airborne transportation to a Hospital. The services must be provided by an ambulance service issued a certificate under the New York Public Health Law. We will, however, only Cover transportation to a Hospital provided by such an ambulance service when a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of such transportation to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
- Serious impairment to such person’s bodily functions;
- Serious dysfunction of any bodily organ or part of such person; or
- Serious disfigurement of such person.

An ambulance service must hold You harmless and may not charge or seek reimbursement from You for Pre-Hospital Emergency Medical Services except for the collection of any applicable Co-payment, Deductible, or Co-insurance

In the absence of negotiated rates, We will pay a Non-Participating Provider the usual and customary charge for Pre-Hospital Emergency Medical Services, which shall not be excessive or unreasonable. The usual and customary charge for Pre-Hospital Emergency Medical Services is the FAIR Health rate at the 70th percentile calculated using the place of pickup.

2. Emergency Ambulance Transportation. In addition to Pre-Hospital Emergency Medical Services, We also Cover emergency ambulance transportation worldwide by a licensed ambulance service (either ground, water or air ambulance) to the nearest Hospital where Emergency Services can be performed. This coverage includes emergency ambulance transportation to a Hospital when the originating Facility does not have the ability to treat Your Emergency Condition.

B. Non-Emergency Ambulance Transportation.

We Cover non-emergency ambulance transportation by a licensed ambulance service (either ground or air ambulance, as appropriate) between Facilities when the transport is any of the following:

- From a non-participating Hospital to a participating Hospital;
- To a Hospital that provides a higher level of care that was not available at the original Hospital;
- To a more cost-effective Acute care Facility; or
- From an Acute care Facility to a sub-Acute setting.

C. Limitations/Terms of Coverage.

- We do not Cover travel or transportation expenses, unless connected to an Emergency Condition or due to a Facility transfer approved by Us, even though prescribed by a Physician.
- We do not Cover non-ambulance transportation such as ambulette, van or taxi cab.
- Coverage for air ambulance related to an Emergency Condition or air ambulance related to non-emergency transportation is provided when Your medical condition is such that transportation by land ambulance is not appropriate; and Your medical condition requires immediate and rapid ambulance transportation that cannot be provided by land ambulance; and one (1) of the following is met:
 - The point of pick-up is inaccessible by land vehicle; or
 - Great distances or other obstacles (e.g., heavy traffic) prevent Your timely transfer to the nearest Hospital with appropriate facilities.

D. Payments for Air Ambulance Services. We will pay a Participating Provider the amount We have negotiated with the Participating Provider for the air ambulance service.

We will pay a Non-Participating Provider the amount We have negotiated with the Non-Participating Provider for the air ambulance service or an amount We have determined is reasonable for the air ambulance service. However, the negotiated amount or the amount We determine is reasonable will not exceed the Non-Participating Provider's charge.

If a dispute involving a payment for air ambulance services is submitted to an independent dispute resolution entity (IDRE), We will pay the amount, if any, determined by the IDRE for the air ambulance services.

You are responsible for any Cost-Sharing for air ambulance services. The Non-Participating Provider may only bill You for Your Cost-Sharing. If You receive a bill from a Non-Participating Provider that is more than Your Cost-Sharing, You should contact Us.

SECTION VIII. Emergency Services and Urgent Care

Please refer to the Schedule of Benefits section of this Certificate for Cost-Sharing requirements, day or visit limits, and any Preauthorization or Referral requirements that apply to these benefits.

A. Emergency Services.

We Cover Emergency Services for the treatment of an Emergency Condition in a Hospital.

We define an “**Emergency Condition**” to mean: A medical or behavioral condition that manifests itself by Acute symptoms of sufficient severity, including severe pain, such that a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
- Serious impairment to such person’s bodily functions;
- Serious dysfunction of any bodily organ or part of such person; or
- Serious disfigurement of such person.

For example, an Emergency Condition may include, but is not limited to, the following conditions:

- Severe chest pain
- Severe or multiple injuries

- Sudden change in mental status (e.g., disorientation)
- Severe bleeding
- Acute pain or conditions requiring immediate attention such as suspected heart attack or appendicitis
- Poisonings
- Convulsions

Coverage of Emergency Services for treatment of Your Emergency Condition will be provided regardless of whether the Provider is a Participating Provider. We will also Cover Emergency Services to treat Your Emergency Condition worldwide. However, We will Cover only those Emergency Services and supplies that are Medically Necessary and are performed to treat or stabilize Your Emergency Condition in a Hospital.

Please follow the instructions listed below regardless of whether or not You are in Our Service Area at the time Your Emergency Condition occurs:

- 1. Hospital Emergency Department Visits.** In the event that You require treatment for an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911. Emergency Department Care does not require Preauthorization. **However, only Emergency Services for the treatment of an Emergency Condition**

are Covered in an emergency department. If You are uncertain whether a Hospital emergency department is the most appropriate place to receive care, You can call Us before You seek treatment.

We do not Cover follow-up care or routine care provided in a Hospital emergency department.

- 2. Emergency Hospital Admissions.** In the event that You are **admitted** to the Hospital, You or someone on Your behalf must notify Us at the number on Your Member ID card within 48 hours of Your admission, or as soon as is reasonably possible.
- 3. Payments Relating to Emergency Services.** We will pay a Participating Provider the amount We have negotiated with the Participating Provider for the Emergency Services.

We will pay a Non-Participating Provider the amount We have negotiated with the Non-Participating Provider for the Emergency Service or an amount We have determined is reasonable for the Emergency Service. However, the negotiated amount or the amount We determine is reasonable will not exceed the Non-Participating Provider's charge.

If a dispute involving a payment for Emergency Services is submitted to an independent dispute resolution entity (IDRE), We will pay the amount, if any, determined by the IDRE for the services.

You are responsible for any Cost-Sharing. You will be held harmless for any Non-Participating Provider charges that exceed Your Cost-Sharing. The Non-Participating Provider may only bill You for Your Cost-Sharing. If You receive a bill from a Non-Participating Provider that is more than Your Cost-Sharing, You should contact Us.

B. Urgent Care.

Urgent Care is medical care for an illness, injury or condition serious enough that a reasonable person would seek care right away, but not so severe as to require Emergency Department Care.

Urgent Care is Covered in or out of Our Service Area.

- 1. In-Network.** We Cover Urgent Care from a participating Physician or a participating Urgent Care Center. You do not need to contact Us prior to or after Your visit.
- 2. Out-of-Network.** We Cover Urgent Care from a non-participating Urgent Care Center.

If Urgent Care results in an emergency admission, please follow the instructions for emergency Hospital admissions described above.

All other clinical trials, including when You do not have cancer or other life-threatening disease or condition, may be subject to the Utilization Review and External Appeal sections of this Certificate.

We do not Cover: the costs of the investigational drugs or devices; the costs of non-health services required for You to receive the treatment; the costs of managing the research; or costs that would not be covered under this Certificate for non-investigational treatments provided in the clinical trial.

For retrospective reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 72 hours of Our receipt of the information or 15 calendar days of the end of the 45-day period if the information is not received. For expedited reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 24 hours of Our receipt of the information or 48 hours of the end of the 48-hour period if the information is not received.

If We do not make a determination within 72 hours (or 24 hours for expedited reviews) of receipt of the supporting rationale and documentation, the step therapy protocol override request will be approved.

If We determine that the step therapy protocol should be overridden, We will authorize immediate coverage for the Prescription Drug prescribed by Your treating Health Care Professional. An adverse step therapy override determination is eligible for an Appeal.

G. Reconsideration.

If We did not attempt to consult with Your Provider who recommended the Covered Service before making an adverse determination, the Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination or a designated clinical peer reviewer if the original clinical peer reviewer is unavailable. For Preauthorization and concurrent reviews, the reconsideration will take place within one (1) business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

H. Utilization Review Internal Appeals.

You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone, in person, or in writing.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will include the name, address, and phone number of the person handling Your Appeal and, if necessary, inform You of any additional information needed before a decision can be made. The Appeal will be decided by a clinical peer reviewer who is not subordinate to the clinical peer reviewer who made the initial adverse determination and who is 1) a Physician or 2) a Health Care Professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue.

- 1. Out-of-Network Service Denial.** You also have the right to Appeal the denial of a Preauthorization request for an out-of-network health service when We determine that the out-of-network health service is not materially different from an available in-network health service. A denial of an out-of-network health service is a service provided by a Non-Participating Provider, but only when the service is not available from a Participating Provider. For a Utilization Review Appeal of denial of an out-of-network health service, You or Your designee must submit:
 - A written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition, that the requested out-of-network health service is materially different from the alternate health service available from a Participating Provider that We approved to treat Your condition; and
 - Two (2) documents from the available medical and scientific evidence that the out-of-network service: 1) is likely to be more clinically beneficial to You than the alternate in-network service; and 2) that the adverse risk of the out-of-network service would likely not be substantially increased over the in-network health service.

- 2. Out-of-Network Referral Denial.** You also have the right to Appeal the denial of a request for a Referral to a Non-Participating Provider when We determine that We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service. For a Utilization Review Appeal of an out-of-network Referral denial, You or Your designee must submit a written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition:
 - That the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs for the health care service; and
