

Pharmaceutical Policies available for providers by visiting mvphealthcare.com

MVP Health Care® (MVP) lists all of the current medical and pharmaceutical policies which can be accessed by visiting mvphealthcare.com, and selecting *Providers*, then *Sign-In/Register*, then select *Resources*, then *Medical Policies*. All policies are reviewed at least once annually. A FastFax will be sent out one month prior to the effective date listing the policies and their status. These policies can fall into one of the following categories:

- New – Denotes a new policy
- Updated – Updated policies have content changes that may affect coverage criteria for services and/or drugs
- Review/No Changes– Policies that have been reviewed, but have no content change
- Archived – Denotes a policy that is not active

The following policies are effective December 1, 2018 and will be available for viewing on or before November 1, 2018. Hard copies of the policies are available upon request.
