

Important Changes from MVP Health Care® (MVP) Regarding Prior Authorization for High Tech Radiology

Effective January 1, 2021, prior authorization for High Tech Radiology (MRI/MRA, PET Scan, Nuclear Cardiology, CT/CTA, and 3D Rendering Imaging Services) will no longer be required for the following plans:

- **MVP Medicare Advantage Plans**
- **MVP Medicaid Managed Care**
- **MVP Harmonious Health Plan (HARP)**
- **MVP Child Health Plus (CHP)**

MVP Members without out-of-network benefits must continue to be referred to MVP Participating Radiology Providers. Requests for out-of-network providers for Members in these lines of business require prior authorization from MVP. Complete a Prior Approval Request Form (PARF) and fax it to MVP at **1-800-280-7346**.

Prior authorization for Radiology Services will remain in place for **all other MVP plans**. Prior authorization for Radiation Therapy **will remain in place for all plans** through **eviCore Healthcare** by submitting requests at **evicore.com** or by calling **1-800-568-0458**.

To view a summary of all updates, visit mvphealthcare.com/Providers.

To receive future FastFax messages by email, send a request to MVPFastFax@mvphealthcare.com.

Questions? Contact your MVP Professional Relations Representative or call the MVP Customer Care Center for Provider Services at 1-800-684-9286.
