Crisis Residence Admissions Update

MVP Health Care® (MVP) is committed to keeping you informed of changes that may impact the care you provide to our Members, your patients.

Effective March 1, 2025, MVP will no longer require prior notification for crisis residence admissions.

- Crisis Residence Providers will no longer have to submit a prior notification form to MVP

If you have any questions, please contact your MVP Behavioral Health Professional Relations Representative. To find your representative, visit mvphealthcare.com/providers and select *Contact Us*.
