Medical Policy Updates Effective June 1, 2026

MVP Health Care® (MVP) has announced updates to its Medical Policies, which will take effect on June 1, 2026. To access the latest MVP Medical Policies, sign in at mvphealthcare.com, go to *Resources*, and then select *Medical Policies*. Each policy is reviewed at least once every year. This communication outlines all affected policies and their current statuses, with each policy falling into one of the specified categories.

- **New** – Denotes a new policy.
- **Updated** – Updated policies have content changes that may affect coverage criteria for services and/or drugs.
- **Review/No Changes** – Policies that have been reviewed but have no content change.
- **Archived** – Denotes a policy that is no longer active.

The following policies are effective June 1, 2026, and will be available for viewing 30 days prior to their effective date. Hard copies of the policies are available upon request.
