[1] Visits may be any combination of Primary Care, Specialist, Outpatient Mental Health Care, or Outpatient Substance Use Services.
[2] Gia virtual care services include 24/7 primary and urgent care, nutrition, and some behavioral health services. Beginning January 1, 2026, Gia virtual care services are $0 before the deductible on qualified high-deductible health plans. Some specialty virtual care providers included in Gia, in-person visits, and referrals may be subject to the plan's applicable co-pay/cost-share. Estimated visit costs will be listed in Gia at the time of service.
[3] Rates do not include pediatric dental coverage.
QHDHP: Qualified High-Deductible Health Plan. **For a family plan with an embedded deductible**, each member pays their own, individual deductible. Once an individual has met their deductible, no further deductible is required of them for that plan year. Other family members continue to pay toward their individual deductibles until the family deductible is met. **An embedded out-of-pocket maximum** works the same way. **NoDD**: Not subject to deductible.
